Texas-Style Air Fryer Burnt Ends

Ingredients:

- pork belly cubes or beef brisket cubes
- smoky BBQ spice rub
- treacle sugar
- maple syrup
- Salt and pepper, to taste

Instructions:

1. Generously season the meat cubes with the smoky BBQ spice rub, ensuring they are evenly coated.
2. Sprinkle the Meat Cubes liberally with the sugar.
3. Drizzle the meat cubes with maple syrup and toss to mix.
4. Preheat the air fryer to 200°C for 10 minutes. Place the seasoned cubes into the air fryer basket in a single layer.
5. Remove the cubes from the air fryer after 10 minutes and give them a stir.
6. Place back into the air fryer and cook for another 15-20 minutes at 200°C, until sticky and caramelised with a "burnt" edge.
7. plate up with spicy coleslaw and sriracha dipping sauce for a comforting meal.
